Please arrive 15 minutes prior to the start time, and dress appropriately for the weather. Please bring a GLOVE, appropriate shoes and a batting helmet.

Evaluations take place in a spring training format. Skills are assessed using various drills and skill challenges by Erindale coaches. Attendance is mandatory for all players in Rookie Ball, Minor and Major divisions as this helps establish evenly skilled teams.

In the event of a rainout, evaluations will be rescheduled. Team assignments take place the following week using a "draft" format.

All players must provide their own safety-approved batting helmet and a glove.

Baseball cleats and a cup are highly recommended for Rookie, Minor and Major divisions.

Uniforms (cap, shirt, belt, pants, and socks) will be provided by Erindale Little League before opening day.

T-Ball & Challenger will receive cap and shirt only

If you plan to purchase a bat, please note that **USSSA & BBCOR bats are NOT allowed** in Little League games or practices for safety and performance requirements. Please check the [USABat website](http://USABat.com) to make sure the bat complies with USABAT standards and has this logo:
