Welcome to
ERINDALE LITTLE LEAGUE
Junior & Senior T-Ball Divisions

Here's what you need to know:

Erindale Little League is totally run by a dedicated team of volunteers, from coaches up to board members. Without volunteers, especially for coaches, we cannot field a team. If you can spare the time, please consider joining our baseball community. Just like with players, experience/knowledge would be an asset, but is not necessary at any level.

PRACTICES & SKILL DEVELOPMENT

Erindale Little League uses The Little League "Teaching for Tomorrow - Learning the Game" Program for both T-ball levels.

The Junior T-Ball division serves as an exciting introduction to baseball. Players can expect a fun and supportive environment where foundational skills are taught, teamwork is emphasized and a love for the game is developed.

The Senior T-Ball division will build and reinforce skills learned in Junior T-ball.

Depending on the number of teams and diamonds available, Sr. T-Ball may occasionally not play twice a week, but will still play 15-20 games per season or more.

Rainouts are TBA.
